## CLOSURE REPORT OF THE VERMONT JUDICIAL CONDUCT BOARD

Re: Docket No.: 22.041

---

This Complaint contained allegations of misconduct against numerous judges, and many parts of the Judiciary. Any specific complaint regarding any specific Judge were not clear to the Board from the voluminous materials submitted with the Complaint.

The Rules of the Judicial Conduct Board were sent to the Complainant, along with giving the Complainant 30 days to supplement the Complaint with specific allegations under the Board's jurisdiction, but Complainant failed to do so.

The Judicial Conduct Board conducted an initial inquiry, including a thorough review of all of the Complainant's filings and the docket history of the underlying litigation. The Board found that the Complaint and the other materials submitted by the Complainant did not support or allege violations of any Canon of the Code of Judicial Conduct, but instead raised appellate issues. Therefore, the Board has determined that the Complaint falls outside of the Board's jurisdiction, and there is no cause for further proceedings. *Rules of the Supreme Court for the Disciplinary Control of Judges*, Rules 6(17) & 7(1).

Accordingly, the Complaint in Docket No. 22.041 is DISMISSED.
