

Montpelier lawyer and historian Paul Gillies has written an essay describing the history of the Vermont Supreme Court Building, copies of which are available in the lobby, and also available on the VBA website at www.vtbar.org and on the Judiciary website at www.vermontjudiciary.org. Many thanks to Attorney Gillies for his invaluable contributions to this event, as well as to the Planning Committee named below. Many thanks as well to Governor Scott, Senator Ashe, and to the representatives from the fourteen counties in attendance for their participation.

Following the conclusion of the remarks and presentation of commemorative plaques, all in attendance are invited to enjoy refreshments provided by the Vermont State Curator's Office and cake provided by the Vermont Bar Association. Attendees wishing to observe a re-enactment of a 1918 oral argument may proceed to the Supreme Court Courtroom by 4:15 p.m.; the re-enactment will end at 5:00 p.m. Anyone interested in a courthouse tour given by the current Supreme Court Law Clerks may gather at the security desk in the lobby on the main floor. Thank you for participating in our celebration!
